Dear Gabrielle and HIPP Members,

There are few more moving moments, if any, than looking into the innocent eyes of a child. Your generous contribution to the Make-A-Wish Foundation® has helped put a spark of light, joy and hope into the eyes of more than 2,200 Make-A-Wish children in Indiana. Young eyes, previously dimmed with fear or despair of countless needles and seemingly endless hospital procedures, return to prisms of innocence and youthful exuberance with the granting of a wish.

Your kind gift of \$290.00 and ice breaker gifts allows Make-A-Wish volunteers and staff to restore smiles and laughter to our children and families, as they anticipate, experience and always remember the granting of their wish of a lifetime.

We welcome, applaud and appreciate, more than words can say, your decision to support our Foundation's mission as a Make-A-Wish donor. It has been said that the children supply the imagination and that the Make-A-Wish Foundation® provides the magic. However, we all know that the real magic is the tangible support of individuals engaged in our mission.

Thank you once again for your continued support of the Make-A-Wish Foundation® and helping us provide hope, strength, and joy to our very deserving children and families in Indiana.

Warmest regards,
